

DJ - REMIXER/PRODUCER - CROOKLYNCLAN ARTIST

BIO

The official Crooklyn Clan DJ, Remixer, and Producer who is 12+ year industry veteran at only 26 years old—boasts a resume that rivals some of the top names in the game. New Jersey Native DJ G-Kidd—the Official DJ for Roc-A-Fellas' Memphis Bleek, garners international support by fellow DJs around the globe, who play his mashups and bootlegs to boot. Not only does G-Kidd crush sets at monthly residency Dusk Nightclub in Atlantic City, he's frequently invited to top industry staples from coast to coast to showcase his vivid, inspired sets for refined, first-class audiences. Check him at VIP Room and Skyroom in NYC, Dream and Play in Miami Beach; Catch him jet setting from playing the Playboy Penthouse in Vegas, to Maho Beach in St. Maarten.

G-Kidd's demand extends beyond nightclubs. With honored invites to spin such events as Carmelo Anthony's Celebrity Birthday party and the Official 2014 NBA draft party with Andrew Wiggins, G-Kidd still finds time to cut through the white noise as guest DJ on Colorado's 96.1FM "The Beat," a show that garners millions of listeners a month and on New York City's Hot97 on the Summer Mix Weekends. G-Kidd—whose brand of talent is a respected fixture in the scene—is a regarded taste-maker to up-and-comers and industry heavyweights alike.
